Summer Fun and Recreation Areas

The Brentwood Hills pool, tennis courts, playgrounds, and soccer field are available for Brentwood Hills residents to enjoy. You can bring guests to share in our amenities, but residents must stay with their guests throughout the time they are with us.

Also, for safety and security reasons, please do not hold the gate open to let others in at the pool facility. Requiring each family to swipe their

card is the best way to ensure the facilities are only being used by our residents and their guests. Remember, you are not being discourteous by protecting our facilities.

Did you know you can reserve one of the three pavilions at the pool for your party needs? There is a refundable cleaning deposit required. See one of the pool attendants for a reservation form.

Get Your Tickets for Community BBQ

Saturday, August 9th, is our next resident BBQ. This event is free to all residents, you just need a ticket for each member of your family and any guests you bring along. There will be lots of food, bouncy houses for the kids, and other activities planned by Gerri

Clifton and Kellie Clemmer. To ensure we have enough food for everyone, you MUST have a ticket to eat! You can get your BBQ tickets now through July 25 from a pool attendant. Join us for fun, food, and festivities!

Community Projects:

Our Easter Egg Hunt for the kids was a big success. We had over 65 children participate in the egg hunt, games, and refreshments. Thanks to Gerri Clifton, Kellie Clemmer, and all their helpers for putting on a great event for our kids!

Keeping Dogs Off Your Lawn:

Try this simple method: Mix 1 part cayenne pepper to 10 parts of water into a spray bottle. Spray lightly over lawn. Dogs tend to smell before doing their business. You can also sprinkle ground cayenne pepper around the mailbox posts or small shrubs. This will discourage dogs from spending time near these objects. Reapply cayenne pepper after every rain.

Constantly Improving Our Community

Your Board of Directors is constantly looking for ways to improve and add amenities to make Brentwood Hills an even more desirable neighborhood to live in for our residents.

Some of the active improvement projects include:

- New sod has been added along Brentwood Hills Blvd. *Austin Outdoor*, our landscape contractor, is working hard to get the sprinkler system running efficiently in that area.
- The refurbish of all the interior monuments has been completed and new plantings are being installed to complete

the job.

On the list of upcoming projects, the board of directors is looking at building a grill area and pavilion with tables just outside the pool area next to Child Haven to enhance parties and family get-togethers. We have requested bids and hope to begin work on this project in the fall.

The final projects currently planned include completely refurbishing the pool and all its equipment this fall. Additionally, both pool bathrooms will receive new tile and upgraded fixtures, and a new pool-side shower will be added.
