Brentwood Hills HOA Approved House Colors List - Effective March 2021

All color schemes are Sherwin Williams colors but you can match to any paint brand you want.

Garage Doors must match the body or trim of the house (not the front door color).

Any Trim can be substituted with SW#7005 Pure White or SW #7008 Alabaster

Pick door color from Scheme you choose or from additional approved door colors at end of list (or book).

Body and Trim colors may be swapped. Meaning you can use the trim for the house color and the house color for the trim staying in the same Scheme.

A total of two colors allowed on your entire house body. Meaning one Body color and one Trim color. Third color for door only.

Any white or off white trim can not be used with a white or off white body color and visa a versa.
